TIGHTER SPACE.
LESS COLOR.

SHE LOOKS OUT.

Oh my God, can we not have this argument again?
there's she is, Kamala—
there's she is, Kamala—
sit with us please.
Abu...?
Hmm?
Can I go to a party tonight?
A party?
Are you kidding me?
Come on, Abu!
I'm seventeen!
I promise I won't do anything stupid—
Don't you trust me?

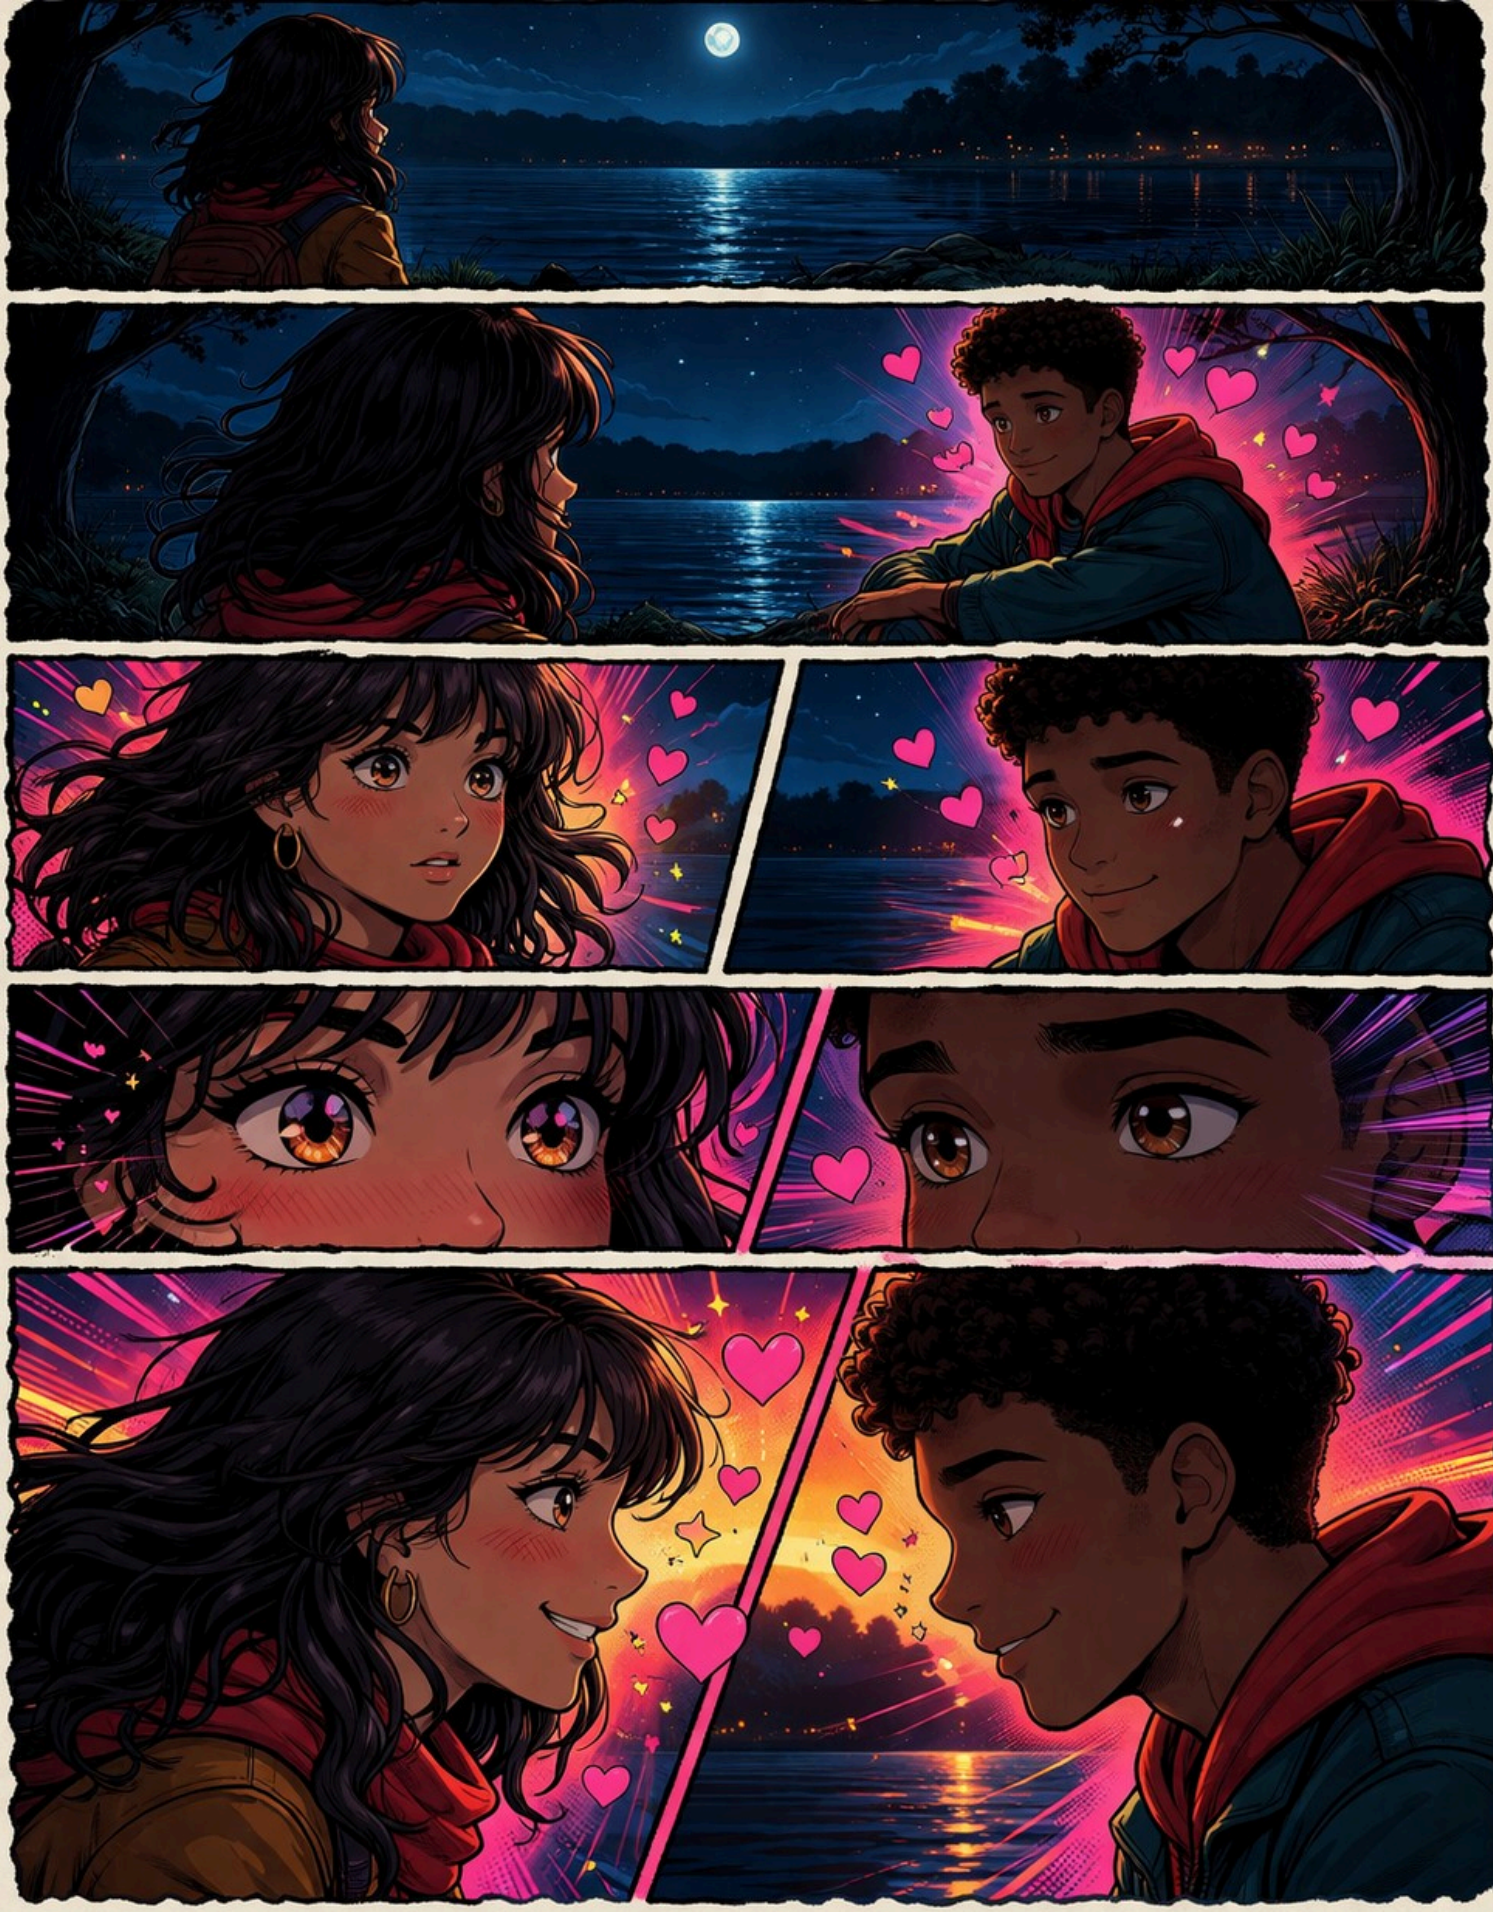
Of course I trust you, beti.
But it's not safe for a young girl to be out late t night with strange boys, drinking God knows what and thinking God knows what.
Why don't you invite your little sister over?
You young ladies can get your homework out of the way and then watch movies.
i'm gonna die of boredom ughh
You will not die.
Look at your brother working hard for his family and getting top grades... does he complain?
He's a boy.
And if I was a boy, you'd let me go to the party.
May I be excused?
You are excused straight to your room!
And stay there until you find your manners!
fine.

IT'S JUST A PARTY
ONE PARTY
it's just a party... one party.
IT'S NOT LIKE I'M ASKING PERMISSION TO SNORT COCAINE ONE WH—
i've always done what THEY ASK me to do...
AREN'T I ALLOWED TO DO ANYTHING MY OWN WAY... JUST ONCE?
why am i stuck...
why does everyone else get to be normal...
why can't i?
...fine.
CLICK.

...okay.
just walk in.
act normal.
...yo.
ain't you the indian girl from **school**?
first of all— i'm not even Indian.
second of all, i was invited... so **move.**

oh yeah?
invited by who?
umm—
think of something
Carly—
yeah—say Carly
Carly.
She—uh... she's in my English class.
She passed me a note.
...Carly?
...don't fold.

...whatever. go in.
...this is it?
...play it cool
wait— who are you here with?
...Carly.
...I'm Carly.
nahhh she lied to get in 😭
that's weird...
why would you do that?
yeah... you gotta go.
...stupid.
...i almost had it.
no music.
no voices.
...what's that?
...so quiet.



HEY!
OWW!
IT WAS SOO, NATURAL.
I CAN'T EVEN BEGIN TO EXPLAIN.

UNTIL IT WASN'T.
...it's not just me.
I know.
...and me.
It's my family...
...and you.
...and me.
...so what are we doing?
...what we have to.

MILES
KAMALA
...maybe there's still a chance.
...we were real.
just...
not at the same time.

PARALLEL PATHS
we kept going...
just not together.

HERO ACADEMIA
A START OF
NEW BEGINNINGS

For a while...
I found myself somewhere different.
They called it
Camp Vanguard.
CAMP
VANGUARD
It wasn't about
saving the world here...
And somehow...
...just a small
part of it.
And somehow...
...it felt like
I wasn't lost anymore.
